COMMENTS IN SUPPORT OF RULE MAKING

Benchmark Radio Acquisition Fund IV Limited Partnership ("Benchmark"), the proposed assignee of Station WWTR-FM, Bethany Beach, Delaware (the "Station"), hereby submits its comments in support of the Notice of Proposed Rule Making, released February 5, 1993, proposing substitution of Channel 240B1 for Channel 240A at Bethany Beach, Delaware, and modification of the WWTR-FM license to specify operation on the higher class channel.

Benchmark and Roger A. Akin and Banking Services Corp, as Co-Receiver of KAT Broadcasting Corporation ("the Co-Receiver") filed an assignment application on Form 314 to the Commission on April 27, 1993 to assign the license of the Station to Benchmark.

As set forth in the Co-Receiver's Petition for Rule Making, Channel 240B1 can be allotted in compliance with the distance separation requirements. Operation of WWTR-FM on Channel 240B1 will greatly improve the Station's coverage. Thus, the public interest would be served by adoption of the proposal.

Benchmark intends to timely file the requisite modification application to upgrade the WWTR-FM facilities, and promptly build the modified facility as soon as the Commission

authorizes it to do so pursuant to the assignment application and
